Served from midday – 3pm

Bruschetta

The beginning of many a meal all over Italy. We serve thick slices cut from a large imported Italian loaf of bread, grilled, rubbed with garlic then dressed with the very best extra virgin olive oil direct from our friend Maria-Teresa in Rocella, Calabria.

Wild mushroom	4.50
Tomato and basil	4.50
Prosciutto	4.75

Ciabatta

A relatively modern shaped loaf, direct from our supplier in Brescia, is now a favourite in most regions of Italy and here at Glumangate. Ciabatta means "slipper" as it is a rather flat, stunted oval shape, although the name does not do justice to its feathery light texture or its delicious taste. The cucina prepare each of these by order and serve with a seasonal side salad for your enjoyment.

Smoked chicken, pesto with scamorza, soft regional cheese	all 5.75
Tomato, field mushrooms with scamorza, soft regional cheese	
Salami piccante, prosciutto and pepperoncini	
Smoked salmon and ricotta	

Piattu nostru - it takes you to Calabria. per person 6.50

Bread and Olives 3.50

Extra Bread (per person) 1.75
